

Kick-Off Party @ DAC

Date : Saturday 30th January 2021

Time : 1:00 pm – 4:00pm

2020 had proven to be a difficult year with restrictions and uncertainty caused by the Covid pandemic. The club had been closed for many months and when some restrictions were lifted, the club house was still closed to members. However, many members still found positives in the gloom and flew at the club with limited charging facilities and limited numbers at any one time.

The committee is organising a Kick-Off party to welcome 2021 on Saturday 30th January. A barbeque will start at 1:00pm and we can then 'party' on. There will be small restrictions on how the food may be distributed on the day, depending on the restrictions and rules at the time.

Let us wish 2021 to be the year of opportunities and vaccinations.

- Usual Saturday flying and training.
- Bring your pride and joy for flying and/or display.
- Show us your projects.
