## Terms and Conditions

- 1) Possession of a club house key is a position of trust within the club, significant loss and damage can occur if the clubhouse is not appropriately secured/locked. Securing the clubhouse includes ensuring that all lights and appropriate appliances (heaters, cooling racks and transformers) and taps are off, that the back window is bolted closed, the bunker is locked and the main door is bolted and locked.
- 2) Issuing of clubhouse keys is entirely at the discretion of the Committee. A key is generally only granted to 'bronze wings' (or higher rated) members upon their payment to the treasurer of the deposit of \$10.
- 3) By possessing a key to the clubhouse the member must understand and agree that:
  - a) the \$10 deposit is non refundable if the key is not returned undamaged or is lost
  - b) replacement of lost/damaged keys is at the discretion of the committee.
  - c) at all times the key and the contents of the clubhouse remain the property of DAC
  - d) for security purposes it is imperative that lost or misplaced keys are immediately reported to the registrar.
  - e) immediately upon ceasing to be a financial member the key must be returned to the registrar
  - f) it is the responsibility of the member who opens the club house to ensure that, upon leaving the field, the clubhouse is appropriately secured/locked or that the clubhouse is clearly agreed to be left in the control of another member (with a key) who will appropriately secure/lock the clubhouse.

I hereby agree to above terms and conditions. Failure to do so may render me liable for losses that flow from breach of this agreement.
