

Victorian Flying Scale Aircraft Association (VFSAA) 2018 Calendar

6-Feb-2018

Hello Club Presidents and Secretary's,

I have attached a calendar of our 2018 scale comp's which there is one a month in various clubs throughout Melbourne with 3 in country locations. They are now listed on the VMAA calendar and have included them below to pass onto your members. All comp's have a flying only class allowing anyone to have a go with a semi scale ARF or built aircraft. Depending on numbers we also have F4C, F4H and/or large scale at most comps. Our first Comp for the year is this Sunday 11th Feb at the Northern Flying Group.

Two of our major events are held over a weekend, the VFSAA trophy at Albury and the State Champs at Echuca as well as a weekend comp in Bairnsdale.

I look forward to seeing some of your members having a go and challenging themselves to improve their flying skills.

Please check VFSAA website the week before event for any changes.

We also hold our bi-monthly meetings now at the VARMS club rooms in Wantirna with discussion on various scale building techniques and is a great source of information for those building scale aircraft. Check our website for more details <http://vfsaa.org.au/> Visitors are most welcome and supper is provided.

Regards Tim De Haan (VFSAA secretary)

Saturday	Sunday	Location	Event
